Luxury Muskoka Resort Launches Two-night “Rosseau Reveal”

JW Marriott The Rosseau Muskoka invites guests to celebrate the complete renovation of hotel public spaces

Minett, Canada – June 12, 2018 – There’s nothing like a summer party in Muskoka, especially when it comes with a great deal. This June, JW Marriott The Rosseau Muskoka will open its doors to reveal the spectacular redesign of its public spaces. The evenings of June 17 and 18, 2018 will mark the “[Rosseau Reveal](#)” and everyone is invited.

Led by Toronto design team mackaywong, the new look is sleek and contemporary, while retaining an authentic Muskoka vibe against the backdrop of stunning lake views. Tony Tamburro, the resort’s General Manager says, “the Living Room, Muskoka Room, Library and Lakes Lounge have always been wonderful gathering places for friends, couples and families. Vacationers and business people from around the globe as well as local community members have enjoyed these spaces for almost ten years. This has become the place to be, and the place to be seen. It was time to refresh the style of the resort and bring new excitement to the sense of arrival. I am thrilled with the result and I know that our guests are going to love it.”
